Diary note on the Rule of Shahdol 9
Mutton Stall-Keeper, Shamrapur &c

The President, Shamrapur Town Municipality issued an order dated 26.5.1916 to the Town Municipal Overseer to have a proclamation published that the auction sale the right of selling meat in the mutton stalls for a period of one year from 1-7-16 to 30-6-1917 as per terms of the enclosed proclamation would be held in the President's office at 11 A.M. on Commencing from 13-6-1916

B. 2 The proclamation stipulated that the stalls should be sold individually stall by stall

C 3 As per terms of the proclamation the sale was conducted stall by stall & was fetched only Rs 1585 which was more than the last year's Rs 1600 for the previous year all the stalls together were resold on 14.6.16 the next day & they fetched a lump-sum of Rs 1601 from Shahdol

4 Before the sale was confirmed by the President, the Vice President received a petition dated 17.6.1916 from one Nurkhan Badankhan offering Rs 1700 for all the stalls & requesting therein that either the Contract may be given to him for the above amount or that the stalls be resold individually for the reason that he was not present at the previous sale in favour of Shahdol

5 The Vice President placed memo dated 20.6.1916 before the Managing Committee of the Municipal Council stating that Nurkhan Badankhan has deposited

Rs 200 as security towards the offer of Rs 1700 & that - it - should be & have to have the stall vested

6 On 30-6-1916 the managing Committee agreed that the stall may be distributed among all the tenders for Rs 1700.

7 on 29 6 16 The Vice President - The Vice President - submitted a memo for the orders of the President stating that a redistribution of stalls was made according to the managing Committee's decision and fetched thereby Rs 1695-0-0 and that the Petn Shankaraya did not join in for a stall though he was present at the distribution

8 Thereupon the President with certain reasons conferred in 1716 The stall in favour of Shankaraya and asked the Vice President to admit allowance & take up the stall at once

9 on 1 7 16 The Vice Pres. issued an order to the municipal Overseer to deliver the enclosed order to Shankaraya & receive from him the balance of the purchase money and that the proportionate amount should be received from the present stall keepers in the date of putting up stalls in possession of Shankaraya

10 Shankaraya on 4 7 16 presented a petn to the Vice Pres. that the 3 stall keepers refuse to vacate the stalls

11 The Board received on 8.7.16 called a report - alongwith a letter dt 24.6.16 from the Stall keepers & the effect - that out of the 16 mullah Stalls 11 have been put in possession of Bulldogs and that the keepers of the remaining 5 stalls say that they could vacate the stalls if the release orders therefor from the Vice President - & that the Board hereon have not received any order from the municipality for continuing in these stalls from 1-7-16

12 On 5-7-16 the Secretary in Council & members of the Standing Committee addressed a letter to the Vice President stating inter alia that the powers vested in the Standing Committee under Sec - 40 of the Board Regns cannot be set aside summarily and that the matter may be placed before the President for necessary action. Whereupon the Vice President called the Board on 6.7.16

13 On 10.7.16 the President further discussing the same question ordered that the matter may under Sec para 20 of the Rules framed under Sec. 46(2)(b) of the Board Regns, be placed before the Board

14 On 12.7.16 Mr. Sankara - narayana Rao, advocate on behalf of the Chief - Bulldog addressed a letter to the Vice President stating that as the stalls have not been put in possession of the re - maining 6 stalls he has been losing Rs 3 a day per stall & that therefore the entry

Further abs-

Subordinates

The records do not disclose (1) that there were individual applns from the various mutton Stall keepers offering Rs 1700 towards the redistribution of Stalls, & that Ravikhan has been informed that his offer for Rs. 1700 has been rejected & (3) that the 10 mutton Stalls which were put in possession of thekkiyas have been taken back from him

The following are the points for Consideration

(I) Whether the action of the Vice Presdt in having refused without referring the matter for the orders of the Presdt who is the final authority — either to accept or reject the bid at the auction sale of the 16 mutton Stalls together for a lump sum of Rs 1601 immediately after he found that the bid at the 1st sale which was held in accordance with the terms of the Sale notice, is justifiable,

(II) Whether the Vice President himself without the orders of the Presdt was competent to refer the subsequent applns of Ravikhan offering Rs 1700 for the lease of the mutton Stalls, to the Managing Committee

(III) whether the Managing Committee can, under sec 140 of the Local Regn interfere with the procedure of the Presdt when he has acted under the conditions of the Sale notice, &

(IV) whether the redistribution of Stalls among the various Stall keepers as per resolution of the Managing Committee could be given effect to in the absence of direct individual applications from Stall keepers except from Ravikhan whose offer for Rs 1700 is found to have been rejected

Sir,

With reference to your letter No. 2636M1 42-16-11 dated 30th October 1916 forwarding a petition from one Thukkoji, Mutton stall keeper of Shimoga and calling for a report thereon, I have the honor to state as follows -

1. The right of selling meat in the Municipal mutton stalls during the year 1916-17 was sold on the 13th and 14th June 1916 by the Vice President, Shimoga When the sale was held stall by stall, the total amount offered was Rs 1585/- as against Rs 1,600/- realized in 1915-16 and Rs 1,746/- in 1913-14. Considering the extremely low bids, before concluding the sale and receiving the deposit amounts the right was sold the same day with all shops group-together and the appellant Thukkoji offered Rs 1,601/-. The deposit amount on this bid was received. While the question of confirmation of the sale was pending with the Managing Committee, one Nurkhan Budankhan offered by darkhast Rs 1,700/- for all the stalls for the whole year. These matters were considered by the Managing Committee on the 2nd June 1916 when that Committee resolved that the stalls

2. The appellant Thukkoji appealed to the President against this Order and Mr. Mahomad Zahirruddin Mecci, B.A., who was then acting as President set aside the distribution of the stalls and confirmed the sale in favour of the appellant Thukkoji for R$ 1,601/-.

3. On the motion of one of the Municipal Councillors that the power exercised by the Managing Committee under section 140 of the Municipal Regulation had been set aside summarily, and that the lease of the stalls to one individual was inadvisable, the question came up before the Council on the 29th July 1916, and they held that the action of the Managing Committee should be approved and be given effect to. The bid of the appellant Thukkoji was thereupon rejected, and he was instructed the same day to apply for the refund of the deposit amount paid by him.
